LAST MONTH'S CASEWORK UPDATE

Much of my time is spent responding to my residents on their local concerns. Here is a monthly roundup of the key issues raised. Please do get in touch with me if you feel like you need support on an issue **that matters to you**, because it **matters to me too**.

- Housing
- Local Government
- Asylum and Immigration
- Health Services
- Energy
- Communities
- Crime
- Other: Economy & Finance, Transport, Social Services, HMRC, Social Security, Parliament, International Affairs, Education

An update on the work I've done on my 6 priorities this month:

1. Building a New Hillingdon Hospital

I'm continuing discussions with the redevelopment team at Hillingdon Hospital to get a brand new hospital for our residents.

2. Fighting Against ULEZ Expansion

I'm campaigning locally for Susan Hall who will end ULEZ on Day 1 of her Mayoralty. I also spoke against Labour's war on motorists in the House of Commons Chamber.

3. Keeping Uxbridge Police Station Open

I've asked the Labour Mayor continuously on whether he will keep Uxbridge Police Station open with a 24/7 counter for residents and full custody suite. I'm still ignored by him but I'll continue fighting for it.

4. Improving our High Streets and Supporting Local Businesses

Residents are asking for a Fish & Chip shop in Uxbridge Town Centre. So why don't you join my campaign? It will support our local businesses and high streets.

5. Protecting our Precious Green Spaces

I was made aware about flooding in Court Park, so I went to visit residents and see the work that's been done to prevent a flood in the future.

6. Upgrades in Schools to expand SEND places

I caught up with students at Orchard Hill College for a Q&A. I also attended a Brain Tumour UK drop in with the Daniella Logun Foundation and Children's Services Development Group drop-in to discuss working together for SEND youth.

Surgery Update:

When meeting residents recently, topics included: Immigration, out of borough housing, a housing association issue, support for deaf people, planning issue, police, VAT, ASB, parking, trees, Windmill Project, and Uxbridge Police Station.

Please email me to book a surgery with me.
